## Sizing Information

We offer 100% cotton and poly/cotton blended shirts. The 100% cotton is pre-shrunk a little so order on the large side. The 50/50 blend shirts will not shrink. The 70/30 ring spun cotton/poly blend will shrink slightly.

Our Girl's Cut t-shirts have a narrower collar line, slightly shorter sleeves and a torso cut for teenage girls. The Girl's Cut shirts are conservative in nature but are smaller in size so please order as you deem appropriate. As a guide, the Girl's Cut L is a little smaller than the Adult S.

There are limited adult sizes available in the kid's corner that are not listed. Please call to inquire about adult sizes if interested.
