

Your Custom Order T-Shirts

PRINTED BY TEENAGERS FROM THE INNER-CITY

IT NEVER REALLY HAPPENED IF YOU DON'T HAVE A T-SHIRT ABOUT IT!

Do you need t-shirts screen printed for your youth group, sports team, fun run, men's breakfast, women's guild, bike race, mission/service trip, family reunion, music event, conference, college group, business picnic or special event? If so, we would love to talk with you.

SUPPORT A GREAT MINISTRY AND GET WHAT YOU NEED

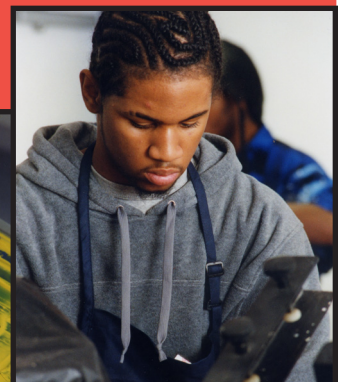

Have your t-shirts printed by Youth Enterprise and you will get a quality product while supporting a great organization at the same time! YE is a program-based ministry that offers part-time employment as well as entrepreneurial and life skills development to teenagers from the inner-city. The students are involved in creating and marketing a variety of products including t-shirts, handmade picture frames, greeting cards, and jewelry. In addition to creating products, our students are supervised and mentored by full-time Program Leaders and volunteers who help promote the key components of our program: Life and Business Skills Development, Academic Support, and Christian Faith Development. Your custom t-shirt order will be printed, prepared, and shipped by the students in our program. Your purchase will directly support our ongoing ministry!
